

Presource® Standard Plastic Surgery Packs

Building safety and efficiency
into your surgery center

CardinalHealth

Quality.
Value.
Performance.

At Cardinal Health, we know that in order to thrive, surgery centers must be concerned with the quality and safety of patient care, as well as how efficiently that care is delivered. The **Presource**[®] standard plastic surgery line provides you with the greatest opportunity to contain cost, standardize practices and components, stabilize patient care and streamline your supply channel.

Our new **Presource**[®] plastic surgery product line is all about efficiency, offering a standard pack to match these top plastic surgeries:
